

How to change email password

Link : <https://myaccount.microsoft.com/>

The image shows the Microsoft sign-in page. At the top is the Microsoft logo. Below it is the text "Sign in". There is a text input field labeled "Email or phone". Below the input field is a link that says "Can't access your account?". To the right of the input field is a blue button labeled "Next". At the bottom of the page, there is a section titled "Sign-in options" with a key icon.

2. Enter your MMT email address followed by your code, for example in the image below it would be MMTINTL063@go-mmt.com (Click Next)

The image shows the Microsoft sign-in page with the email address "MMTINTL063@go-mmt.com" entered in the "Email or phone" input field. A red box highlights the input field, and a red arrow points to the "Next" button. The rest of the page is the same as the previous image.

3. Enter your password (Click Sign in)

The screenshot shows the login interface for the go-mmt GROUP. At the top is the go-mmt logo. Below it, the email address mmtintl063@go-mmt.com is displayed with a back arrow. The main heading is "Enter password". There is a password input field with the placeholder text "Password". Below the input field is a link that says "Forgot my password". At the bottom right is a blue button labeled "Sign in".

4. System Show Picture Below. (Click Password)

The screenshot shows the user profile page for Pattarapoom Laovirunthada. The page has a sidebar on the left with a menu: Overview (selected), Security info, Devices, Password (highlighted with a red box and a red arrow), Organizations, Settings & Privacy, My sign-ins, Office apps, Subscriptions, My Apps, My Groups, and Give feedback. The main content area shows the user's profile picture, name, title (Executive - Site Operations Bangkok), and email address (Pattarapoom.Laovirunthada@itcbangkok.com). Below the profile information is a link "Why can't I edit?". To the right of the profile are four tiles: "Security info" (with a pencil icon and a link to "UPDATE INFO"), "Password" (with a key icon and a link to "CHANGE PASSWORD"), "Devices" (with a laptop icon and a link to "MANAGE DEVICES"), and "Organizations" (with a briefcase icon and a link to "MANAGE ORGANIZATIONS").

5. Then enter your old password in the Old Password field and New Password in the new password field.

*** Conditions * New passwords must be 6-10 characters and include uppercase, lowercase letters, numbers or special characters.**

The screenshot shows a web application interface for changing a password. At the top, there is a header with the 'go-mmt' logo on the left and the user email 'MMTINTL063@go-mmt.com' followed by a question mark icon on the right. The main heading is 'Change password'. Below this, the 'User ID' is listed as 'MMTINTL063@go-mmt.com'. There are three input fields: 'Old password', 'Create new password', and 'Confirm new password'. At the bottom of the form, there is a green 'Submit' button and a blue 'Cancel' link. A red rectangular box highlights the 'Submit' button, and a red arrow points from the bottom right corner of this box towards the bottom right of the page.
